Dear Mr Buckley,

I would like to take this opportunity to congratulate you and your company for the outstanding results from your last Safe-T-Cert audit.

This is a great achievement and you should be rightly proud of it, the scheme and the auditing standard are of the highest order, which adds even greater credibility to this result.

Your challenge for the future is to maintain and build on this standard and to strive for ways to improve the way you manage your health and safety risk, but your excellent progress in the Safe-T-Cert scheme gives me confidence that you can do it..... best wishes for the future.

Yours sincerely

Mr Jan Chmiel  
**Chief Executive**
